

## Eastside Catholic High School - Directions

NOTE: While the one picture does have vehicles up near the school, those are reserved and not available to us. Please park down by the ballfield.

Once you've turned onto Crusader Way, you will come to the parking lots. You can see in the following diagrams where to park and make your way up to the athletic pavilion (green highlighted parking locations and path). As you approach the pavilion, the second picture shows the 4 doors that we typically use. Option 1 is most commonly used but I listed others in case it is locked. There are only a couple of rooms on the 2<sup>nd</sup> floor, so I'm sure you'll see/hear us when you get up there.
